Year of Outreach and Solidarity

The Sisters of Mercy invite you to a year of special gatherings to enable **Outreach and Solidarity** with our neighbors who are suffering hate crimes, discrimination, and fear of deportation. During this year long program we will highlight the sacredness of each member of the human family in our global village.

All events in the Year of Outreach and Solidarity are free and open to all.
Free will offerings will be possible to support the ministries of the Solidarity Committee.
